Dr. Christian Marcolli is a world-class expert on sustainable high performance, coaching executives and business leaders, market-leading brands and elite athletes all around the world to achieve and maintain outstanding results. In the media, he has been called “one of the greatest experts on teams” and “the secret behind the success of the sports stars”. His clients are global market leaders of today – and tomorrow. He is the founder and owner of Marcolli Executive Excellence, a specialized, boutique-style management consulting firm focused on fostering personal leadership excellence, driving team effectiveness and creating organizational health.

Since 1997, Christian has successfully helped individuals, senior executive teams and entire organizations around the globe to accomplish peak performance, resulting in incomparable long-term, sustainable success. In parallel, Christian has been the performance coach to some of the world’s finest athletes and teams. This elite roster includes tennis and soccer stars, Olympic gold medal winners and world champions.

Christian’s passion for optimal performance is reflected in his writing, speaking and consulting. He is the award-winning author of the business books ‘The Melting Point’, ‘More Life, Please!’, ‘Teach Me Patience – NOW!’, ‘Equip Yourself To Be a Business Champion’ and two volumes of ‘Spotlight on Performance – Executive Inspiration’, compilations of his inspiring essays. Whether working one on one with a client or with an executive team, or speaking at a large event, Christian touches and inspires through his authenticity, substance and humor. The Neue Zuercher Zeitung described his work as “an experience that will stay with you for life.” The magazine Developing Leaders stated, “Dr. Marcolli has achieved more than most, recently publishing comprehensive data on participant outcomes”.

Prior to founding Marcolli Executive Excellence, Christian was an elite athlete, playing soccer professionally for several years. When this career was cut short by injury, he earned a Ph.D. in Applied Psychology at the University of Zurich, Switzerland, and specialized in Performance Psychology at the University of Ottawa, Canada.

Christian lives with his wife and his two sons in Switzerland. While his mother tongue is German, he also speaks fluent English, French and Italian. He conducts his programs in English and German.
